**FOR IMMEDIATE RELEASE**

**LawBase Available at Annual ALA Conference & Exposition**

*Leading case and matter management software to be shown at legal industry event*

**Denver, CO – April 10, 2013** – LawBase, the leading case and matter management system designed to increase productivity, will be showcased during the 2013 ALA Annual Conference & Exposition at the Gaylord National Hotel in Maryland. The conference will be held Sunday, April 14, 2013, through Wednesday, April 17, 2013.

Representatives will be available to demo LawBase at booth #535.

“We look forward to attending this year’s ALA conference,” states Phil Homburger, president of LawBase. “This event is a great opportunity to catch up with industry experts and show attendees firsthand the latest enhancements to LawBase and how it can be the perfect solution for their case management needs.”

Most recently LawBase has added expanded reporting capabilities, enhanced bidirectional integration with Microsoft Exchange and the availability of bidirectional integration with Worldox Document Management to its capabilities.

For more information or to schedule a demo prior to ALA, contact [sales@lawbase.com](mailto:sales@lawbase.com) or call 800-569-3377.

**About LawBase**

LawBase ([www.lawbase.com](http://www.lawbase.com)) is the leading case and matter management software package in the legal industry and is currently being used by thousands in law firms, Fortune 500 corporate legal departments and government agencies nationwide. LawBase was developed by Synaptec Software, a veteran company in the software field with more than 32 years of experience in developing the most adaptable, intuitive case and matter management product on the market today.
