FOR IMMEDIATE RELEASE

LawBase Recognized as a Best Case Management Software in the *National Law Journal's* Best of Chicago Awards

Denver – August 25, 2014 – LawBase, the leading case and matter management system designed to increase productivity, today announced it has been recognized as a Best Case Management Software for Chicago Law Firms in the *National Law Journal's* Best of Chicago Readers Rankings survey.

More than 1,200 people in the Chicago legal community voted this year in the Best of Chicago Readers Rankings survey and had the opportunity to acknowledge those who they believe to be the best providers of products and services in their market.

“We are honored to be recognized by law firms in the Chicago market as a top case management solution,” stated Phil Homburger, president of LawBase. “We have been in this market for a long time and strive to make case and matter management efficient and easy for our clients. Having users in this market give us this recognition is very impactful and we are very grateful for their votes.”

The full survey is available in a supplement in the *National Law Journal* and *Legal Times*.

About LawBase

LawBase (www.lawbase.com) is the leading case and matter management software package in the legal industry and is currently being used by thousands in law firms, Fortune 500 corporate legal departments and government agencies nationwide. LawBase was developed by Synaptec Software, a veteran company in the software field with more than 32 years of experience in developing the most adaptable, intuitive case and matter management product on the market today.
