**FOR IMMEDIATE RELEASE**

**LawBase Attending 2013 PILMMA Super Summit**

*Leading case management tool to be showcased at  
Personal Injury Lawyers Marketing and Management Association Summit*

**Denver, CO – May 29, 2013** – LawBase®, the leading case and matter management system designed to increase productivity among personal injury firms, today announced its attendance at the Personal Injury Lawyers Marketing and Management Association Summit (PILMMA) taking place June 6-8, 2013 at the Sheraton Convention Center Hotel in Myrtle Beach, South Carolina. Erin Brockovich will be giving the keynote address.

“We are very excited to be part of this event,” states Phil Homburger, president of LawBase. “This is a great opportunity for us to show attendees why LawBase works so well for firms who are looking to increase their caseload and their profitability.”

LawBase is a popular choice among personal injury lawyers looking to increase efficiency and adaptability for a variety of reasons. LawBase is well-suited for firms hoping to track marketing initiatives in order to track advertising spending as well as sources for referrals.

According to Homburger, “Personal injury lawyers are looking for a solution that’s truly flexible. In addition to our adaptability, LawBase provides powerful but easy-to-use reporting capabilities, and our integration with Outlook® allows for mobile calendaring and access to LawBase data.”

More information about PILMMA can be found at <http://www.pilmmasummit.com/>

**About LawBase**

LawBase ([www.lawbase.com](http://www.lawbase.com)) is the leading case and matter management software package in the legal industry and is currently being used by thousands in law firms, Fortune 500 corporate legal departments and government agencies nationwide. LawBase was developed by Synaptec Software, a veteran company in the software field with more than 33 years of experience in developing the most adaptable, intuitive case and matter management product on the market today.
