FOR IMMEDIATE RELEASE

LawBase Executives to Attend M&L Summer Forum in Lake Tahoe

Denver – June 16, 2015 – LawBase, the leading case and matter management system designed to increase productivity, today announces the company will be in attendance at the M&L Summer Forum being held at the Ritz Carlton in Lake Tahoe, CA, June 18-20, 2015.

This is a bi-annual event that has been taking place for about 20 years and includes 30 law firms from across the country and Canada. The event is open to personal injury law firms, one firm per advertising district with attorneys, marketing directors, and law firm managers as the attendees.

“We are excited to take part in this event,” states Phil Homburger, president of LawBase. “We have many clients in this market and look forward to seeing them and networking with other attendees to show them how LawBase can increase the productivity and efficiency in their firms.”

LawBase is an easy to use, powerful and configurable case management solution, known for incredible flexibility without sacrificing functionality. LawBase’s strengths include its wide array of integrations with other popular legal software that maximize the return on investment for users. LawBase allows law firms, corporate legal departments and government agencies to track a file’s progress, maintain client files within various areas of the law, keep complete calendars and schedules, maintain file room management and perform large repetitive tasks with just a few keystrokes, saving time and money.

Registration and more information on this event is available at <http://www.mlmeeting.com/>.

About LawBase

LawBase (www.lawbase.com) is the leading case and matter management software package in the legal industry and is currently being used by thousands in law firms, Fortune 500 corporate legal departments and government agencies nationwide. LawBase was developed by Synaptec Software, a veteran company in the software field with more than 35 years of experience in developing the most adaptable, intuitive case and matter management product on the market today.
