FOR IMMEDIATE RELEASE

LawBase to Exhibit at ILTACON 2015

Leading case and matter management software to be shown at leading legal industry event in booth #228

Denver – August 25, 2015 – LawBase, the leading case and matter management system designed to increase productivity, will be showcased at ILTACON 2015 (www.iltacon.org), scheduled for August 30-September 3 at Caesars Palace in Las Vegas.

Company representatives will be available to demo LawBase at booth #228.

"We enjoy being part of ILTA each year. It's great hearing the trends taking place in the industry, getting to see old and new friends and taking part in the networking events," states Phil Homburger, president of LawBase. "ILTA always hosts such a great event, and we look forward to showing LawBase's capabilities and expertise to attendees at this year's conference."

ILTACON is a four-day educational conference that draws on the personal and collective strengths of professionals working in technology within law firms and legal departments.

LawBase is a powerful and customizable case management solution known for incredible flexibility without sacrificing functionality. LawBase's strengths include its wide array of integrations with other popular legal software in order to maximize the return on investment for users. LawBase allows law firms, corporate legal departments and government agencies to track a file's progress, maintain client files within various areas of law, keep complete calendars and schedules, maintain file room management and perform large repetitive tasks with just a few keystrokes, saving time and money.

In addition to ILTA, LawBase executives will be in attendance at the Texas Women Rainmakers Conference (www.texaswomenrainmakers.com) scheduled for August 28 at the St. Regis Hotel in Houston. The company is a sponsor of this event.

For more information or to schedule a demo of LawBase at either of these events, contact sales@lawbase.com or call 800-569-3377.

About LawBase
LawBase (www.lawbase.com) is the leading case and matter management software package in the legal industry and currently being used by thousands in law firms, Fortune 500 corporate legal departments and government agencies nationwide. LawBase was developed by Synaptec Software, a veteran company in the software field with more than 35 years of experience in developing the most adaptable, intuitive case and matter management product on the market today.
