FOR IMMEDIATE RELEASE

C2C Innovative Solutions Implements LawBase

Denver – March 16, 2016 – LawBase, the leading case and matter management system designed to increase productivity, today announces the company’s flagship product has been implemented by C2C Innovative Solutions, a Qualified Independent Contractor (QIC) for the Medicare program since 2004.

“We are pleased to have C2C join our growing list of clients,” states Phil Homburger, president of LawBase. “C2C is known for its expertise in the medical appeals process, and we look forward to continuing to work with its team to bring them the functionality and flexibility they need in a case management system.”

C2C Innovative Solutions has been a QIC for the Medicare program since 2004. In this role, the company performs second level appeals, known as reconsiderations, and renders timely and accurate decisions on regular reconsiderations using a panel review process for medical necessity denials.

LawBase is a powerful and configurable case management solution, known for incredible flexibility without sacrificing functionality. LawBase’s strengths include its wide array of integrations with other popular legal software to maximize the return on investment for users.

LawBase allows law firms, corporate legal departments and government agencies to track a file’s progress, maintain client files within various areas of the law, keep complete calendars and schedules, maintain file room management and perform large repetitive tasks with just a few keystrokes, saving time and money.
