FOR IMMEDIATE RELEASE

Worldox Names LawBase in 2015 Special Recognition Awards

Denver – March 9, 2016 – LawBase, the leading case and matter management system designed to increase productivity, today announces the company has been recognized by Worldox, the leading document solution for law firms, in its 2015 Recognition Awards.

“We offer our clients integration with Worldox to ensure they have the most efficient, productive office possible,” states Phil Homburger, president of LawBase. “With LawBase and Worldox together, our clients are able to keep both their cases and documents managed and organized. We are honored to be recognized by Worldox for this relationship and look forward to continuing to offer this integration to our clients.”

“LawBase has been a terrific partner. Our joint clients enjoy the seamless integration of our products and the attention to detail provided by the LawBase team. With our strong partnership and product integration, our customers’ productivity and workflow are greatly improved,” states Ray Zwiefelhofer, president, World Software Corporation.

LawBase is a powerful and configurable case management solution, known for incredible flexibility without sacrificing functionality. LawBase’s strengths include its wide array of integrations with other popular legal software, like Worldox, to maximize the return on investment for users.

LawBase allows law firms, corporate legal departments and government agencies to track a file’s progress, maintain client files within various areas of the law, keep complete calendars and schedules, maintain file room management and perform large repetitive tasks with just a few keystrokes, saving time and money.
