**FOR IMMEDIATE RELEASE**

**LawBase Chosen by Government Agencies Across North America**

*Nashville Metro; Everett, WA, Municipal Court; and Las Vegas Valley Water District Added to LawBase's Growing Client List*

**Denver – April 7, 2016** – LawBase, the leading case and matter management system designed to increase productivity, today announces the company's flagship product has been recently implemented by Nashville Metro; Everett, WA, Municipal Court; and Las Vegas Valley Water District.

"We are honored to be chosen by so many different government offices across North America," states Phil Homburger, president of LawBase. "These clients expand our growing list of government users, and we have heard that LawBase is a great addition to their offices. We look forward to further working with these agencies to bring the features and functionality they need to run their offices as efficiently as possible."

LawBase is a powerful and configurable case management solution, known for incredible flexibility without sacrificing functionality. LawBase's strengths include its wide array of integrations with other popular legal software to maximize the return on investment for users. With LawBase, law firms, corporate legal departments and government agencies can track a file's progress, maintain client files within various areas of the law, keep complete calendars and schedules, maintain file room management and perform large repetitive tasks with just a few keystrokes, saving time and money.
